Job Description

The Engagement Team Assistant will work with the Engagement Director and Energy Fair team on tasks related to organization and implementation of The 33rd Annual Energy Fair

Individuals performing this position will gain experience in working in teams, event planning and coordination, event marketing, and working with volunteers. This individual may be able to take on an additional organization/management of portion(s) of The Energy Fair depending on time, interest, and skillset.

Training will be provided for the following responsibilities for this position which include but are not limited to:

- Community event research and promotion
- Exhibitor/Renewable Energy Industry Research
- Database entry and management
- Updating, auditing, and editing The Energy Fair website.
- Reviewing and preparing Energy Fair materials:
 - Proofreading, printing, cutting, labeling
- Distribution of promotional materials (reimbursement provided)
- Organizing, cleaning, and counting inventory.

Requirements

Interns must meet eligibility requirements for the [Pointers Connect Internship \(PCI\) program](#) to be hired and receive pay. Students must meet all the following requirements to participate:

- Are currently enrolled at UWSP.
- Have junior or senior status (60+ credits earned)
- Have a minimum 2.0 cumulative GPA.
- Are either a 1st generation college student, Pell eligible student, or non-traditional student.

Qualifications

A successful candidate will be:

- Passionate about MREA's mission
- Results oriented and self-directed.
- A professional and respectful communicator.
- Organized and focused with proven ability to prioritize and complete activities.
- Willing to learn how to operate our organizational database.

Benefits:

- Flexible scheduling
- Remote work available
- Free access to all MREA courses during duration of internship including the core courses required to earn a [NABCEP PV Associate](#) (est. value of \$875 to \$1,020)
- Casual dress code
- Complimentary Energy Fair merchandise

About The Energy Fair

The Energy Fair: Since 1990 the Fair has brought thousands upon thousands of attendees together to learn about clean energy, connect with others, and take action toward a just energy transition. It is a place to celebrate and explore renewable energy and sustainable living through workshops, exhibitors, keynote speakers, and live demonstrations. The Fair also features volunteer opportunities, live music, kids' activities, local food & beverages, and camping!

About MREA

Mission: The MREA promotes renewable energy, energy efficiency, and sustainable living through education and demonstration.

MREA is an equal employment opportunity employer and will not discriminate against any employee or applicant for employment in a manner that violates the law. MREA is committed to building a diverse staff and strongly encourages applications from qualified people regardless of their age, ancestry, color, creed, disability, marital status, military status, mental or physical disability, source of income, national origin, race, religion, sexual orientation, gender, gender identity, or any other class protected by law. MREA does not discriminate based on these characteristics in any personnel action.
